Gifts of Securities

Contributions of stock or other securities are a welcomed gift at SARC. If you contribute appreciated securities that you have held for one year or more, there are potential capital gains benefits.

Bequests

By leaving a bequest to SARC in your will, you will make a lasting contribution to helping others. You can designate a specific amount, a percentage of your total estate, or a share of the residue after gifts to your heirs.

Living Trusts

When you choose a living trust, you can provide for yourself and your family before and after your death. You can arrange a contribution through a living trust by naming SARC as a beneficiary.

Gifts of Life Insurance

When your life insurance was originally purchased, you obviously had a need for the benefits. Perhaps today you don't need the coverage. To contribute your life insurance policy, simply name SARC as the beneficiary of the policy.

By planning today, you can help lead the way to a violence free future.

Retirement Accounts

Your retirement accounts were originally established, you had a need for these benefits. Who will receive benefits from your IRA or other plan after your death? How much will they keep after taxes? Please consider leaving these benefits to SARC.

Other Giving Options
